

## 9.- TEST DE DOMINO

En esta prueba nos vamos a encontrar con una serie de fichas de Dominó que guardan una cierta relación entre sí. La misión del opositor radicará en descubrir el sistema de ordenación de esta serie y poner los valores que corresponden a la ficha en blanco.

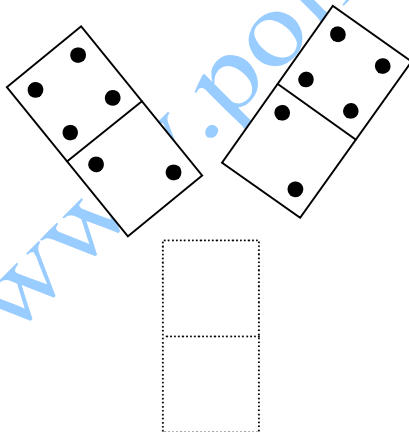

Examine este grupo de fichas y piense cual iría a continuación:

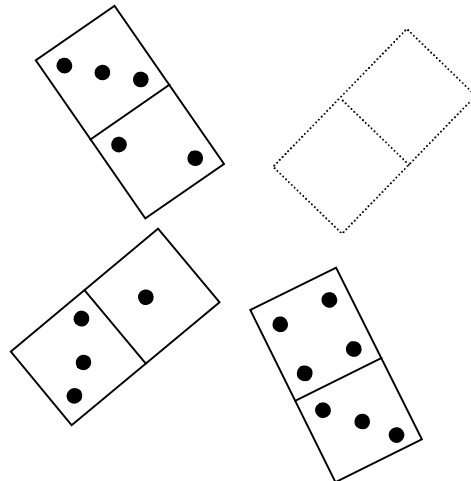

No es difícil llegar a la conclusión de que si las fichas A, B, C, D, E, tienen el valor 6/2, la blanca F, poseerá el mismo valor.

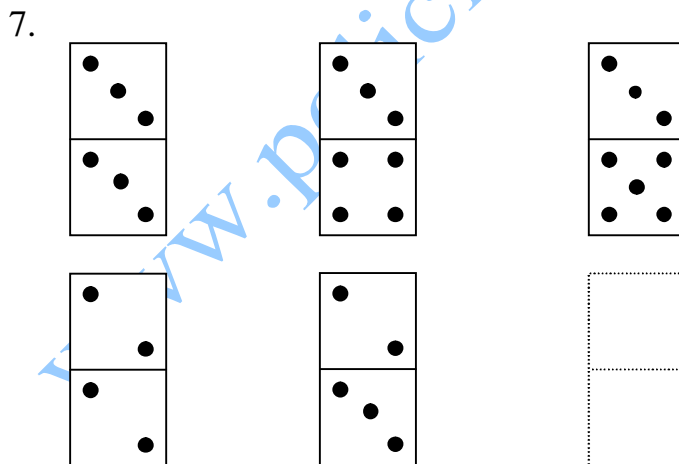

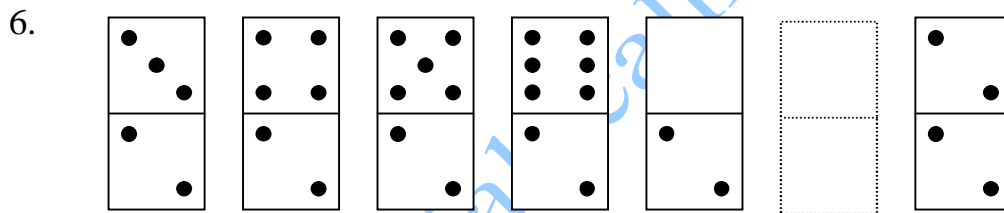

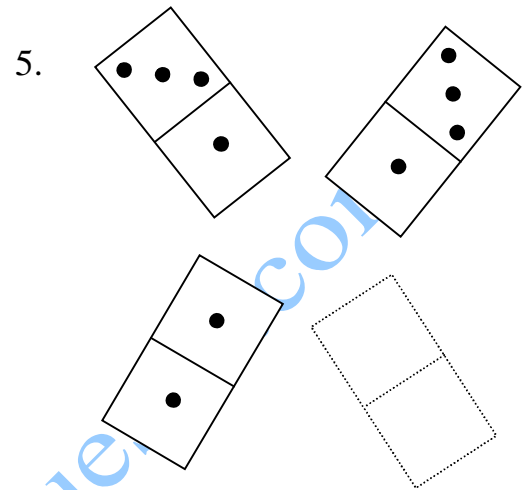

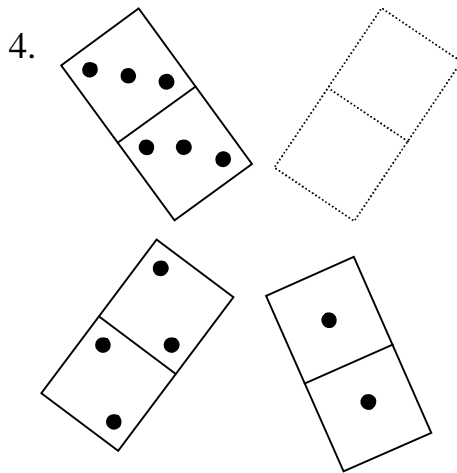

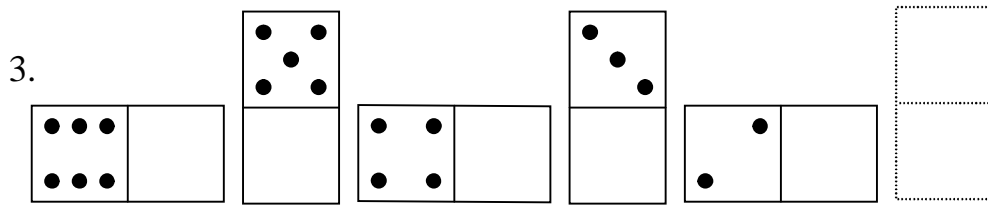

**A. Siguiendo las instrucciones del ejemplo anterior , dispone usted de 10 minutos para realizar esta prueba:**
